

PowerForward DuPage Online Safety Training for IBEW Local 701 Members

By law and by contract, Employers have the primary responsibility for Safety Training - OSHA CFR 1903.1

- During times of unemployment, PowerForward DuPage and DuPage County JATC have set up a website for online safety training. Local 701 members attending outside or private classes (not PowerForward DuPage or JATC sponsored) shall not be eligible for incentive points by the PowerForward DuPage office.
- If you are an employer and wish to register a group through us for online training, please call the PowerForward DuPage office at (630) 393-1701 Extension 5 for additional information.

PowerForward DuPage pays for these classes in full as soon as we register you. For that reason, a deposit for the full cost is required before you will be registered for an online class. After you have successfully completed the class, 100% of your deposit will be refunded. Please make your check payable to “LMCC dba PowerForward DuPage” and mail it to 28600 Bella Vista Parkway, Suite 2006, Warrenville, IL 60555. **If you do not complete the class or fail the class, your deposit will not be refunded to you.**
